

## EXCITING NEWS: ECLIPSE TOOL & SUPPLY JOINS ARONSON-CAMPBELL

It is with great enthusiasm, that we announce Eclipse Tool & Supply has been acquired by Bellevue, WA based firm Aronson-Campbell Industrial Supply Inc., which has proudly served in the Pacific Northwest for over 130 years.

Aronson-Campbell now expands into a three-state footprint, with **branches in Bellevue, Portland, Spokane, and Boise**. The company is owned by brothers Bruce and Joe Buchberger, and is known for its consistent commitment to outstanding service, high-quality products, and a team of experienced professionals who bring deep industry knowledge and support.

**We're proud to have retained the talent of the entire Eclipse team**, and this exciting merger means that we can now deliver even more solutions and advantages to YOU - and all of our valued Eclipse customers. As part of Aronson-Campbell, Eclipse can now offer an expanded selection of products—alongside the trusted lines you already rely on.

Our team understands the demands of high-speed CNC manufacturing and is ready to help you maximize spindle efficiency and reduce tooling costs. In addition to offering world-class cutting tools, **Aronson-Campbell proudly operates a state-of-the-art Custom Grinding facility located in Spokane, Washington**. With over 50 years of combined experience, our expert tool and cutter grinders specialize in modifying new tools and fabricating completely custom cutters from solid blanks.

From single parts to high-volume production, the grind shop provides fast turnarounds and tailored solutions to meet your exact needs. Our grind shop delivers precision, speed, and quality across a wide range of materials—including stainless steel, titanium, aluminum, and tool steel (up to 2" diameters). ***If it needs a grind—keep Aronson-Campbell in mind!***

We appreciate your continued support and patience during this transition as we integrate our systems. We look forward to serving you better than ever.

**Thank you for your business,**
